

Welcome to the Grand Prix Program! We are relaunching some new ideas this year and have tremendous support! Each center participating in the Grand Prix program for youth bowlers will have their choice of a poster or horizontal oriented banner compliments of the Oregon Grand Prix Scholarship Program. With over \$570,000 in trust, we have the ability to give these kids lots of opportunities to pay for college. When your banner is delivered you will also receive a Grand Prix binder with everything you need to use the program.
